## Disc Scoring Sheet

In order to determine your Communication Style, please complete the following:

For each of the 10 word groups below, select the word that is MOST like you, LEAST like you, and IN BETWEEN. You are to assign 4 points to the word that is most like you, 3 points to the word that is like you, 2 points to the word that is somewhat like you, and I point to the word that is least like you. (There should be a 4, a 3, a 2, and a I on each line. See the example) Once you have completed this, follow the next set of instructions.

Example:

| 1. | 3 | Determined | 4 | Convincing | 1 | Predictable | 2 | Cautious |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |

Thank you for taking the time to complete this health history medical questionnaire. The information derived from all of these forms will provide invaluable data in identifying the underlying problems of your health concerns rather than simply treating the symptoms alone. We look forward to helping you achieve lifelong health and well being.

Sincerely,
